Recipe

	Small Recipe (kg)	Large Recipe (kg)
Vegan Chocolate Cake Mix	1.000	12.500
Vegetable Oil	0.265	3.315
Water	0.455	5.700
Total	1.720	21.515

Method

Place the mix into a mixing bowl fitted with a beater. Combine all the liquids and add to the mixer over 1 minute on slow speed. Scrape down. Mix for 2 minutes on medium speed. Add any inclusions at this point and blend through.

Scaling

Muffins: (Mini) 25g | (Standard) 75g | (Jumbo/Tulip) 120g

Loaf Cakes: 350-400g into a lined loaf cake tin

Traybakes: 4kg into a 455mm x 760mm (18x30") greased and lined baking sheet.

Baking

Muffins: 200°C (400°F) 20-30 minutes

Loaf Cakes: 180°C (360°F) 40-45 minutes

Traybakes: 180°C (360°F) 25-30 minutes

DID YOU KNOW...

The demand for vegan products will continue to grow as consumers become more interested in their wellbeing and the environment;

leading them to seek products with a lower carbon footprint and plant-based ingredients to boost their health.
